

Wichita Falls Police Academy

Entrance Exam Procedures

Testing for a Police Officer position is unlike applying for most jobs. As a Civil Service Agency, there are certain steps that an applicant must take to be eligible for employment. We will describe the hiring process below and give you some basic information to help you succeed.

Steps of the Hiring Process

1. Make application with the City of Wichita Falls personnel by submitting an application online at cwftx.simplehire.gov.
2. Take a written Civil Service Entrance Exam (must score 70 or higher to proceed).
3. Turn in Personal History Statement same day as the Civil Service Entrance Exam (must turn in Personal History Statement before testing to be considered as a candidate).
4. Pass physical testing.
5. Pass Video Assessment testing.
6. Background Investigation is conducted.
7. Interview process.
8. Medical screening.
9. Polygraph.
10. Psychological testing.

Applicants passing all the above steps will be eligible for employment based off the list generated by the Civil Service Entrance Exam. Applicants remaining on the list are eligible to be hired, for one year from the Civil Service Exam date, as openings occur. Applicants not hired but remaining on the list may still be eligible to attend the Police Academy. Contact the Police Department Training Staff for more information.

The Personal History Statement must be notarized and turned in the day of the Civil Service Entrance Exam prior to taking the exam in order to be considered as a candidate. Supplemental documents such as high school transcript(s), college transcript(s), certification(s), etc. are not required the day of testing and can be turned in on a later day.

Most Physical Ability testing will be done outside so you should dress or bring appropriate clothing to complete the testing based on the weather forecasted for that day. As with any exercise program, consult your health care provider prior to conducting strenuous physical activity.
