

Police Officer

At JPS Health Network, achieving our goals depends on hiring the right talent who embody an ownership mentality. Our team members own it! They don't treat JPS as a rent car; they take pride in our appearance and the delivery of top notch patient care and an amazing patient experience.

Our Police Department plays an important role at our Level I Trauma Hospital and Behavioral Health facility. We are looking for people that work hard to live by the golden rule and treat every patient, visitor and co-worker with respect, dignity and cultural sensitivity.

Description: The Police Officer is responsible for the physical protection of District patients, visitors, and personnel consistent with federal, state laws and District policies and procedures. This position performs a full range of police duties necessary to enforce the law, including investigating complaints, maintaining order, aiding individuals, and identifying criminal offenders. The Police Officer identifies law enforcement problems, resolves conflicts, and provides other police services to the public/staff as necessary.

Qualifications:

- High school diploma, GED or equivalent.
- Peace Officer (Basic) through the Texas Commission on Law Enforcement Officer Standards and Education (TCLEOSE).
- Valid Texas driver's license.
- Must be able to pass an employment physical exam and/or physical agility test, as well as psychological and background investigation.
